President's Perspective

Thank you to all 61 hearty participants who braved the less than perfect weather to join us for our annual Spring Fling Golf Tournament. All reports have been that another fun time was had by all. A great big thank you goes out to Cindy Cook, Tom Chelmick, Dan Johnson, Al Chomlack and the committee for all of their hard work.

Jaywalker's is this weekend and we once again invite you to join us for the longest running street festival in Alberta. Kick off and opening ceremonies will happen at the main stage on Friday morning at 8:30am. Check our local papers for a full listing of events and times. We look forward to seeing you there.

The Camrose Mirror Lake Express Train will be returning for the season on Tuesday, June 1st. This amazing 94 foot train will be providing rides on Tuesday and Thursday evenings throughout the summer. We begin at 5:30pm and run to dusk each day and at \$2 per ride or a \$20 (10 for the price of 12) punch card, you could not find better family fun value.

As part of my commitment to ensure that our constituents are receiving up to date information on policy, this month I have attached the policy from the Canadian Chamber of Commerce—**Embracing a Growth Oriented Tax System**. "As Canada emerges the recession, our political leaders need to find strategies to balance the books. It is crucial that government refrains from hiking taxes or reneging on promised corporate tax rate reductions," says Perrin Beatty, President and CEO of the Canadian Chamber of Commerce. "International competition is intensifying by the day. If we turn back now as other countries continue to improve their tax competitiveness, we will fall behind."

For the complete policy please go to: <http://www.chamber.ca/images/uploads/Reports/2010/Embracing A Growth-Oriented Tax System300410.pdf>

As always, we welcome feedback from our membership, we encourage you to shop local and we wish you a safe and happy June!
